Dear conference guest!

The Organizing Committee invites you to take part in the international scientific-practical conference "Modern concepts and prospects for the development of air ambulance", dedicated to the 30th anniversary of the Independence of the Republic of Kazakhstan and the 10th anniversary of air ambulance service of the Republic of Kazakhstan, included in the list of 2021 events of the Ministry of Healthcare of the Republic of Kazakhstan. The conference will take place on September 02, 2021 in Nur-Sultan.

Venue: ZOOM platform, Republican State Enterprise with the right to engage in economic activities "National coordination center for emergency medicine" of the Ministry of Healthcare of the Republic of Kazakhstan.

Registration of participants for the online conference: 10.00-10.30 on September 02, 2021.

Working languages: Kazakh, Russian, English.

Requirements for oral presentation:

- speech must be accompanied by a PowerPoint 2003-2016 presentation;
- duration of the speech should not exceed 15 minutes, discussion - 5 minutes.
- due to different laptop software, please save your presentations in two extensions *.ppt and *.pptx

Presentations should be sent by e-mail no later than 3 days before the conference.

The **duration** of the speeches is strictly determined by the program. Presenters should stick to the time requirements to comply with the schedule of meetings and program. Thank you in advance for your understanding, support and collegiality.

Note: ZOOM link to join the conference:
