

Nagasaki University Graduate School of Biomedical Sciences
Master Course (Two Years)
Application Information

I International Student Admission

1. Major and Number of Students Admitted

Major	Number of Applicants being accepted for Autumn 2021	Note
Division of Disaster and Radiation Medical Sciences	Medical Science Course (7)	

※ Division of Disaster and Radiation Medical Sciences is a Cooperative Major (Master Course) consisting of curriculum that Nagasaki University and Fukushima Medical University jointly provide. Those who complete this course will be granted Master Degree in the joint name of these two universities.

2. Qualifications for Application

Applicants who do not have Japanese nationality (except those with a permanent resident permit for Japan) and meet one of the following qualifications may apply for admission.

- (1) Applicants who have completed 16 years of education in overseas educational institutions or are expected to complete by September 2021.
- (2) Applicants who have completed 16 years of correspondence courses in Japan offered by overseas universities, or are expected to complete those courses by September 2021.
- (3) Applicants who have completed 16 years of education in the courses offered in Japan by an overseas educational institution and completed the courses specified by the Ministry of Education, Culture, Sports, Science and Technology (MEXT) or are expected to complete those courses by September 2021.
- (4) Applicants who have a degree equivalent to Bachelor degree or are expected to be conferred by September 2021 by completing a course (*1) of more than 3 years at overseas universities or educational institutions (*2).
 - *1: completing corresponding course in Japan by the said overseas educational institutions or completing course at educational institutions authorized as educational institutions by the said countries and designated in the preceding item
 - *2: overseas universities or educational institutions which are evaluated by those whom are approved by the said country's government or government's related institutions or which are designated by the Ministry of Education, Culture, Sports, Science and Technology of Japanese Government
- (5) Applicants who are enrolled at a domestic university for at least 3 years, or who have completed or are expected to complete a 15years course of education in overseas by September 2021 and are considered by Nagasaki University Graduate School of Biomedical Sciences as having an outstanding academic record. (Required to submit documents nos. (1), (3), (4), (5), (7) and (8); see the section 4. Pre-evaluation of applicant qualification.)
- (6) Applicants over 22 years of age by September 30, 2021 and are considered by Nagasaki University Graduate School of Biomedical Sciences that they have equivalent or superior to academic abilities of the university graduates at the pre-evaluation. (Required to submit documents nos. (1), (2), (3), (6), (7) and (8); see the section 4. Pre-evaluation of Applicant Qualifications.)
 - *Applicants of the above (6) are graduates of junior college, technical college, vocational school and miscellaneous school.

3. Advance Contact about Application

Applicants who intend to apply for these courses are required to submit Pre-evaluate application (the prescribed application form) to the following office via e-mail **by 5:00 pm, Friday, March 12, 2021**.

Nagasaki University Biomedical Sciences Administration Department,
Student Affairs Division, Graduate School Section
Email: dai_med@ml.nagasaki-u.ac.jp

4. Pre-evaluation of Applicant Qualifications

Applicants who meet the qualifications listed in (5) or (6) in the previous section should submit required documents for the pre-evaluation. Applicants who are qualified by this will be able to apply for the admission examination. Pre-evaluation of Applicant Qualifications is primarily done with the submitted documents, though some cases may involve an interview.

If an interview is needed, notification will be sent directly to applicants.

(1) Deadline for submission of documents for pre-evaluation of applicant qualifications:

Friday, April 2, 2021 at 5:00 PM

(2) Mailing address for documents submission:

Nagasaki University Biomedical Sciences Administration Department,
Student Affairs Division, Graduate School Section
1-12-4 Sakamoto, Nagasaki 852-8523, Japan

(3) Results of the pre-evaluation will be sent directly to the applicants before the admission application period.

7. Announcement of Results

Announcement Date: Friday, June 11, 2021 at 10:00 AM

The successful applicants' application numbers will be posted at the entrance of Nagasaki University Graduate School of Biomedical Sciences, as well as on the website of Nagasaki University Graduate School of Biomedical Sciences.

(URL: <http://www.mdp.nagasaki-u.ac.jp/index.html>)

The successful applicants will also receive a letter of acceptance by post. No information will be given over the phone.

8. Procedures for Enrollment

The successful applicants should start enrollment procedures as follows:

(1) Enrollment procedures period / opening hours

From Thursday, July 1 to Wednesday, July 7, 2021 at 5:00 PM (except Saturday and Sunday)

(2) Venue for enrollment procedures

Nagasaki University Biomedical Sciences Administration Department, Student Affairs Division, Graduate School Section.

(3) Required fees for enrollment procedures

Admission fee: 282,000 yen

Required to be bank transferred by using the designated bank transfer form in the Enrollment Procedures Handbook during the enrollment procedure period as above. Admission fees are non-refundable.

(Notes)

1. Tuition fee for 2021: 535,800 yen annually (267,900 yen per semester)
2. The period of tuition fee payment is in April and October.
3. If the amount of tuition fee is revised during the registration period, the revised amount will apply.
4. There is the system of admission fee and tuition fee exemption and payment postponement in Nagasaki University. For more details, please confirm it in the Enrollment Procedures Handbook.
5. Admission and tuition fees are not required for international students supported by Japanese government (Monbukagakusho: MEXT) scholarships.

9. Supplementary Success

If there are vacancies for enrollment because of declination by the successful applicants and etc., it will be filled as supplementary success from a waiting list for admission. Therefore, even though an applicant failed the entrance exam, he / she must be reachable and ready to reply their intention about admission.

Acceptance letter for supplementary success will be sent to the postal address given in their application documents by post etc. No information will be given over the phone.

10. Additional Applications

Additional applications might be taken if the number of students by supplementary success is insufficient. In this case, the examination dates will be informed on the website of Nagasaki University Graduate School of Biomedical Sciences.

11. Personal Data Protection Policy

- (1) Personal information provided in the application package will only be used for the selection process. The personal information of the successful applicants will be used in the admission process; thus, enrolled students' personal information will be used for registration.
- (2) Results of the entrance examination and other personal information in the application package will be used in the screening process for the scholarship, admission fee exemptions, tuition waivers, etc.
- (3) Personal information provided in the application package and entrance examination may be used for statistical surveys and research regarding admissions at the university.
- (4) Personal information provided in the application package and entrance examination, unless specified in Article 9 of the Act on the Protection of Personal Information Held by Independent Administrative Agencies, etc., will not be distributed to third parties or used for purposes other than those mentioned above.

12. Consultation for Applicants with Disabilities

Nagasaki University has Support Center for students and applicants with disabilities.

Applicants with disabilities that would require specific arrangements for the examination or for learning are required to contact Student Affairs Division before submitting the application. Applicants will never be negatively treated in the screening process by the results of an advance consultation. Applicants may be required to submit documents describing detail of arrangement. Without consultation beforehand, the applicants may not be allowed to ask for arrangement.

13. Security Export Control

Nagasaki University regulates the export of goods and provision of technology subject to safety concerns, in accordance with the Foreign Exchange and Foreign Trade Act, so that the research and education for non-Japanese students do not impede international peace and safety; accordingly, prospective students should keep in mind that they may be requested to change the contents of research and education. For further inquiries, consult the relevant office.

14. Notes and Cautions

- (1) Incomplete or erroneous application documents are not acceptable.
- (2) Any corrections in application documents are not acceptable after submission.
- (3) Submitted application documents will not be returned with no exception.
- (4) When an applicant cannot start the interview at the time decided, he / she shall be deemed as abstaining from the examination.
- (5) Applicants who give false information on their application documents will be withdrawn from school admission even after the semester has begun.
